

Transform Your Team: ROI

Attendees **spend less than 10 min** per day planning their week. From this investment, they **gain 2-3 hours** of productivity each day.

**10-15
Hours**

**Productive time gained
by each employee using
our system each week.**

Let's Say...

- You have 40 employees go through the TYT program for one full year.
- Only 60% (24) implement this system.
- Those 24 employees gain 10-15 hrs of extra productivity each week. (Total of 240-360 hours for all.)
- Full Time Employees (FTE) work 40 hrs a week.
- 24 Employees = Productivity of at last 30.

Here's the Benefit...

You can **hire 6 full-time employees**

OR invest in our system!

Savings by Dollars

Employee Base Salary <small>Excluding other costs of onboarding, training, benefits, etc</small>	Total Annual Savings <small>Considering a full year of salary for 6 needed FTE</small>
\$40K	\$240K
\$70K	\$420K
\$100K	\$600K

**Invest in your employees & save your company up to
\$600K a year!**
